

Da Vinci

GROUP

The Da Vinci Group specialises in working with business owners to develop their business opportunities, and identify new markets, form lasting brand partnerships and oversee the smooth acquisition of land and commercial or residential property.

We have built an outstanding global reputation and forged strong partnerships that allow us to provide your business with all of the services required to build strong and continued growth.

Our main priority is to assist companies to acquire new customers and sell additional products or services to existing ones with the ambition to expand or to diversify its clientele.

Da Vinci knows no boundaries when it comes to making the impossible possible.

Hayley and Natasha at the Da Vinci Fine Art Gallery, Fitzrovia

Da Vinci Fine Art was formed by Natasha Lands and Hayley Courtney-Smith in February 2019 initially as a pop up Art Gallery which then Lead to gallery space at 41 Windmill Street, Fitzrovia.

Da Vinci Fine Art specialises in modern and contemporary art. We have built a strong reputation and exhibit art from emerging and well-established artists who are carefully selected not only for the excellent quality of their work but also their tireless dedication to their art.

Since our first successful year we have gone from strength to strength, built strong relationships and collaborations which enabled us to launch more recently The Da Vinci Group.

Fighter Shots are all natural health shots aimed at anyone who wants to boost their immunity, reduce fatigue, and improve their overall well being. They choose the highest quality ingredients. Their ginger, lemon and apple come from organic producers and their pure honey is supplied by Hilltop Honey. They use glass bottles to ensure no harmful chemicals leach into their drinks.

Fighter Shots is based and produced in London.
